MEMORANDUM FOR: [redacted]  
Chief, International Terrorism Control  
Policy and Coordination Staff

SUBJECT : Attached Briefing on Terrorism

This is an effective and timely briefing. May I make a few additional suggestions:

A. Page 1, last sentence. [redacted]

B. Page 2, line 5. Typo in "destabilizing."

C. Page 7, paragraph V. It may be obvious, but I still suggest that if [redacted] terrorists and the three [redacted] exiles are U.S. persons, they should be specified as such.

D. Page 7, last line. Suggest "involving not only international terrorism, but...."

E. Page 8, lines 1-2. The "current federal case in [redacted] not identified and perhaps should not be cited for that reason.

F. Appendix, Item 1. Suggest you identify [redacted]

G. Appendix, Item 2. "The further destabilization of the [redacted] government" seems like an overstatement. Maybe I am wrong, but is it currently destabilized? The President might query the DCI.
